EXPERIENCE

Blue Origin

Jan. 2026 – May 2026

Electrical Systems Intern

Kent, WA

- Designed and released 8 New Glenn 1.15 HIL harnesses on schedule, supporting 20% of the program cycles scope of change.
- Completed avionics lab inventory ahead of schedule and supported cross-functional systems engineering data migration.

SFS Group

Aug. 2025 – Dec. 2025; June 2026 – Aug. 2026

Engineering Intern

Reading, PA

- Designed and tested 2 prototype concepts for commercial roofing applications.
- Performed testing on a variety of fasteners, analyzing the effects of maximum tensile and shear loads
- Compared 4 sensing technologies for detecting concealed metal roof features beneath insulation.

Kline Process Systems

Mar. 2024 – August 2025

Co-op Electrical Technician

Reading, PA

- Worked on the electrical installation of newly developed process automation facilities
- Performed installations primarily on-site in facilities, including Universal Ingredients, BlendHouse, and SpaceX
- Determined and implemented the optimal electrical routing and layout based on the described connections within P&IDs

PROJECTS

NASA L'SPACE Mission Concept Academy

Sept. 2025 – Dec. 2025

Electrical Engineer

Remote

- Designed the power subsystem of a rover to complete a simulated mission to explore Martian caves
- Worked with a multidisciplinary team to develop mission requirements and design implementation to complete the mission task

EDUCATION

Temple University

Aug. 2026 – Present

Bachelor of Science in Electrical and Computer Engineering

Philadelphia, PA

Alvernia University

Aug. 2024 – Dec. 2025

Bachelor of Science in Mechanical and Electrical Engineering

Reading, PA

- **Work Study: Tutor** for Physics, Calculus, Chemistry, and CS; **Engineering Lab Assistant**, conducted maintenance and setup on 3D printers and CNC Machines

SKILLS

Software and Languages : Fusion 360, AutoCAD, CATIA V5, Siemens NX, Creo Parametric, C++, Python

Test and Equipment : Soldering, Oscilloscope, Signal Generator, Digital Multimeter, 3D Printing

Licenses and Certifications : Private Pilot ASEL, OSHA 10-Hour General Industry, OSHA 10-Hour General Construction
